

Court Masters Competitive Doubles House League *Hamilton Tennis Club*

Again this year, the Hamilton Tennis Club will be hosting the Court Masters Doubles House League. This league will be open to both men and women. All participants will be placed into teams. Each team will have both male and female members. Each week all participants will play three timed matches for their respective teams. Most matches will be separated into men's and women's doubles. However, there will be some mixed rounds as well. The team with the highest winning percentage at the end of the five week session will be declared the winner.

Come join the spring and/or summer session and test your doubles skills as you compete for your assigned team. This league is open to members and non-members of the Hamilton Tennis Club. Grab your friends and join us on Tuesday evenings for some competitive yet social doubles competition.
